This statement addresses the compounds within the products Devar Inc. manufactures with respect to the list created by California's Safe Drinking Water and Toxic Enforcement Act of 1986, also known as Proposition 65. Devar's products are electronic circuits manufactured using electronic devices and compounds manufactured by other companies. Access to the information of the chemical makeup of those devices and compounds are beyond Devar's control. After due diligence investigating the components used in the manufacture our products, Devar advises that its products contain compounds found in the proposition 65 list.

**WARNING:** This product contains chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm.

The warning does not mean that our products will necessarily cause cancer, birth defects, or other reproductive harm. Devar believes its products are not harmful when used as intended and properly disposed at the end of its service life. This warning is issued to comply with the California Safe Drinking Water and Toxic Enforcement Act of 1986.

Devar does not intend on submitting our products to independent testing.
